

# EVE TUCKER

DANCER • PERFORMER

Hello, I'm Eve and am an exceptionally hard-working, passionate and dedicated dancer and performer.

I am currently working towards a BTEC in Performing Arts at Dorset Foundation College alongside additional training in all dance styles as a Senior Dance Associate with Urdang (now The Dang) in London.

I am a versatile dancer who has trained in most dance styles, including ballet, pointe, pas de deux, jazz, commercial, lyrical, tap, acro and hip-hop - and I am very quick to pick up choreography!

I have also participated in lots of interesting performance opportunities, as well as being an active ambassador for both a dance photographer and dance clothing brand.

I have a strong work ethic and take every opportunity to learn new skills and improve my technique.

## REVIEWS

"It was the senior students who really stole the show. Eve Tucker was a delightfully poised and expressive Wendy, and we particularly loved watching her solo contemporary numbers, which were breathtakingly beautiful. With such incredible stage presence, it's easy to forget that these amazing lead performers are still only 16 years of age."

"Among the principal roles, the trio of Peter, Wendy and Tinkerbell will remain with me for a long time... Eve Tucker (endearing as warm and loving Wendy) ... are a genuine triple threat with excellence in dancing, acting & singing. Whatever their plans for future careers, they are born to perform at the highest level! Not only did they have amazing stage presence in principal roles, but they also blended into smaller group performances... The energy, focus and commitment throughout never wavered. A truly memorable and enchanting production."
